Dear Mr. Hagan:

Re: Direct Energy Regulated Services Regulated Rate Tariff Transition Rate for June 2008

Direct Energy Regulated Services (DERS) is filing with the Alberta Utilities Commission (Commission or AUC) updated Regulated Rate Tariff (RRT) transition rates for June 2008 for the service territory of ATCO Electric Ltd. The updated rates reflect the removal of all AESO uplift charges.

DERS has prepared and filed these schedules with the Commission for approval in the event that the Commission is unable to approve the RRT rates submitted on May 26, 2008 that include the AESO uplift charges.

Should you require additional information please contact the undersigned at 403-290-4635.

Yours truly,
