- c) execute any appropriate ISO-NE applications and agreements;
- d) obtain authorization from the FERC to sell power at market-based rates; and

If Competitive Supplier has not fulfilled all such requirements by the Effective Date, it shall notify the City in writing of the same, and the City may terminate this Agreement without any liability.

ARTICLE 3 RIGHTS GRANTED

3.1 GENERAL DESCRIPTION AND LIMITATIONS

Competitive Supplier is hereby granted the exclusive right to provide All-Requirements Power Supply to Participating Consumers pursuant to the terms of the Program and this Agreement., Competitive Supplier shall be authorized to supply All-Requirements Power Supply only to Participating Consumers, and the LDC will continue to have the right and obligation to supply electricity to Eligible Consumers who opt-out of the Program and remain on, or return to, Basic Service. Competitive Supplier recognizes and agrees that this Agreement does not guarantee that any individual Eligible Consumer will be served by the Competitive Supplier.

In accordance with Article 5 below, all Eligible Consumers shall be automatically enrolled in the Program unless they choose to opt-out. In the event the geographic boundaries of the City change during the term of this Agreement, Competitive Supplier shall only be obligated to supply All-Requirements Service to those Participating Consumers located within the City as such boundaries existed on the Effective Date. The Competitive Supplier has the sole obligation of making all necessary and appropriate arrangements, including, without limitation, with the LDC, and the ISO-NE, to ensure that Participating Consumers receive, at the Point of Sale, the electricity to be supplied by the Competitive Supplier pursuant to this Agreement.

The City specifically authorizes the LDC to provide to Competitive Supplier all billing and energy consumption information for Participating Consumers as is reasonably available from the LDC, which Competitive Supplier may receive and use in fulfillment of its obligations under this Agreement. Competitive Supplier shall request consumption data for individual Participating Consumers from the LDC via EDI. If further action is required by the LDC to authorize Competitive Supplier to receive such consumption and

billing data, upon request of Competitive Supplier, the City agrees to use Commercially Reasonable efforts, at Competitive Supplier's cost, to assist Competitive Supplier in obtaining such information for Participating Consumers. Competitive Supplier shall not be responsible for any errors that Competitive Supplier makes in the provision of All-Requirements Power Supply to the extent such errors are caused by unknown errors or omissions contained in the information provided to it by the LDC.

ARTICLE 4 ROLE OF THE CITY

4.1 ROLE OF CITY

Notwithstanding anything to the contrary in this Agreement, the City shall not receive, take title to, or be liable or responsible for the supply or delivery of, or the payments for, any All-Requirements Power Supply. It is and shall remain the sole obligation of the Competitive Supplier to arrange for delivery of All-Requirements Power Supply to Participating Consumers.

The Parties specifically agree that the role of the City is to:

- i) negotiate this Agreement or amendments thereto,
- ii) reasonably assist the Competitive Supplier as set forth in Section 3.1, above, and Section 7.9 below, of this Agreement;
- iii) oversee the public education program, provided that such responsibility shall not relieve the Competitive Supplier of its obligations, if any, set forth in this Agreement with respect to such program;
- iv) approve the Opt Out Notice; and
- v) to the extent the City elects, in its sole discretion and without having the obligation to do so and without creating any rights on behalf of any third party, act as consultant and advocate for Eligible Consumers with respect to the matters addressed in this Agreement.

Both Parties expressly agree that the remedies available to the Competitive Supplier in the event of City default are limited to the specific performance remedy described in Article 6.

4.2 CLAIMS OF ELIGIBLE/PARTICIPATING CONSUMERS

The City is authorized under G.L. c. 164, § 134, to act on behalf of the Eligible Consumers in contracting for electric supply for such Eligible Consumers under the Program, and may consult with and communicate with any or all Eligible Consumers and Participating Consumers in connection therewith. Unless prohibited by state or federal law, the City has the right (but not the obligation) to bring claims on behalf of Eligible Consumers or Participating Consumers against

the Competitive Supplier in litigation arising under this Agreement. Nothing in this section is intended to create any rights under this Agreement on behalf of any third party.

4.3 OWNERSHIP AND USE OF ELIGIBLE CONSUMER DATA

Competitive Supplier acknowledges and agrees that, as between the City and Competitive Supplier, the City shall have exclusive ownership of all right, title, and interest in and to all Eligible Consumer data (including addresses, telephone numbers or other identifying information) made available by any person or entity to Competitive Supplier, in connection with or as a result of this Agreement. Competitive Supplier shall use Eligible Consumer data solely to provide All-Requirements Power Supply to Participating Consumers and to render other services expressly required or permitted under this Agreement, and for no other purpose. Any other use of Eligible Consumer data without the prior written consent of the City is strictly prohibited. Pursuant to such authorized use, Competitive Supplier may share such Eligible Consumer data with third-party vendors as reasonably necessary to accommodate Competitive Supplier's provision of All-Requirements Power Supply or other performance pursuant to this Agreement (including, without limitation, collection of receivables), provided that Competitive Supplier will inform any such vendor of the confidential nature of such data and impose upon them the use restrictions set forth in this Article 4.3 and elsewhere in this Agreement. Except as expressly provided in this Agreement, Competitive Supplier shall not disclose any Eligible Consumer data to any third-party and Competitive Supplier shall take all Commercially Reasonable measures to protect Eligible Consumer data from access by, or beneficial use for, any third-party. To the extent that the provision of All-Requirements Power Supply or other services under this Agreement requires that Competitive Supplier have access to or make use of any Eligible Consumer data, Competitive Supplier shall treat such Eligible Consumer data as confidential information. Competitive Supplier may use Eligible Consumer data to engage in direct marketing to Eligible Consumers regarding electric supply services under the Program, but only during the term of this Agreement and subject to the terms set forth in Article 19.2. A violation of this Article 4.3 by the Competitive Supplier shall be grounds for termination under Article 6.2. Competitive Supplier agrees violation of this Article 4.3 shall constitute irreparable harm.

ARTICLE 5 CONSUMER CHOICE, NOTIFICATION OF RIGHTS, ENROLLMENT

5.1 CONSUMER CHOICE AND OPT OUT RIGHTS AT PROGRAM INCEPTION

The Parties acknowledge and agree that all Participating Consumers have the right, pursuant to M.G.L. c. 164, § 134 and the Program, to change their source of electricity supply, as set forth in Article 5. The Parties shall not interfere with the right of Participating Consumers to opt-out of the Program, and shall comply with any rules, regulations or policies of the Department, the LDC and/or other lawful Governmental authority regarding the procedures for opting out of the

Program, or switching from one source of electric supply to another.

In the event the City is launching a new aggregation all Eligible Consumers will, as of the Effective Date, be automatically enrolled in the Program under the terms of this Agreement unless they opt-out. The City, acting through its consultant, shall provide to Competitive Supplier a list of all Eligible Consumers as of the Effective Date, as well as such Eligible Consumers' service and billing addresses. Competitive Supplier shall notify by mailing an Opt Out Notice to each such Eligible Consumer:

- (i) about the Program;
- (ii) of the date on which such Eligible Consumer will be automatically enrolled in the Program; and
- (iii) that the Competitive Supplier will be providing All-Requirements Power Supply to such Eligible Consumer as of the same date, subject to the opt-out provisions of the M.G.L. c. 164, § 134, and the Plan; and
- (iv) of the Opt-Out Procedure.

The City shall specify the design and content of the Opt-Out Notice which may be in color and may include 2 pages in addition to the reply form, but shall not exceed one ounce in weight. Competitive Supplier shall review the Opt-Out Notice and notify the City of any comments or concerns regarding the form or content of the notice. Once the design and content of the notice are finalized, Competitive Supplier shall at its cost, in the event the City is launching a new aggregation, and in accordance with the approved design and content, prepare, print, and mail, to each such Eligible Consumer, the Opt-Out Notice at least thirty (30) days prior to the date of automatic enrollment. The Opt-Out Notice shall:

- (i) prominently state all charges to be assessed by the Competitive Supplier,
- (ii) provide a summary of the prices and terms included in Exhibit A;
- (iii) fully disclose the prices and terms then being offered for Basic Service by the LDC;
- (iv) state how such Eligible Consumer may opt-out of the Program prior to enrollment and remain on Basic Service from the LDC;
- (v) state how all Participating Consumers, subsequent to enrollment, will also have the right to opt-out at any time and return to Basic Service or choose a new Competitive Supplier without paying a fee, charge or penalty to Competitive Supplier; and
- (vi) include a reply form and postage-paid reply envelope that Eligible Consumers may use to exercise their opt-out rights.

In the event the City is launching a new aggregation, Competitive Supplier shall commence All-Requirements Power Supply as of the Service Commencement Date to such Eligible Consumers that have not exercised their right to opt out. All such Eligible Consumers shall then be deemed

Participating Consumers and shall be entitled to receive supply at the prices listed in Exhibit A and pursuant to the terms and conditions of this Agreement.

If any Opt-Out Notices are returned as undeliverable, the Competitive Supplier shall promptly make Commercially Reasonable Efforts to identify a correct mailing address and re-send the notice.

Once enrolled in the Program pursuant to the procedures described in this Agreement, Participating Consumers may opt out at any time without paying any fee, charge or penalty.

The parties acknowledge that the low-income discounts provided by the LDC to low income consumers are not impacted by this Agreement.

5.2 NOTIFICATION TO NEW CONSUMERS OF OPT-OUT RIGHTS

Throughout the term of this Agreement, Competitive Supplier shall maintain a **Master Opt Out File**, described in Article 12, that includes accurate records of a) all consumers in the community that Opted Out after receiving an Opt Out notice but prior to enrollment and b) all consumers that left the Program for any reason after they were enrolled in the Program. Once each month, throughout the term of this Agreement, Competitive Supplier shall obtain from the LDC an updated file that includes LDC consumers in the community that are receiving supply from the LDC at basic service rates, hereinafter the **Updated LDC Basic Service File**. Once each month Competitive Supplier shall create a **Refresh Mailing List of New Consumers** which shall include all consumers in the Updated LDC Basic Service File excluding only consumers listed in the Master Opt Out File.

In accordance with the requirements of all applicable Governmental Rules, Competitive Supplier shall notify such New Consumer that the Competitive Supplier will be providing All-Requirements Power Supply to such New Consumer, subject to the opt-out provisions of the M.G.L. c. 164, § 134, the Plan, and the Program Opt-Out Notice. Competitive Supplier shall mail an Opt-Out Notice (as described in Article 5.1) to each such New Consumer listed in the Refresh Mailing List no later than thirty (30) days after the Service Commencement Date and then once every month for the balance of the term. Such New Consumers shall be automatically enrolled in the Program on the first meter read date following the Opt out deadline in the Opt Out Notice as described in section 5.1. If the New Consumer is in the largest industrial rate class, Competitive Supplier may contact such New Consumer and reasonably determine if such New Consumer is expected to consume more than 1,000,000 kWh per year. If Competitive Supplier reasonably determines that such New Consumer is expected to consume more than 1,000,000 kWh per year, such consumer shall be designated a “Very Large New Consumer.”

Any New Consumer, other than a Very Large New Consumer, that does not elect to opt-out of the Program as provided in this section, will be automatically enrolled in the Program, will be deemed a Participating Consumer, and shall be entitled to receive supply at the prices listed in

Exhibit A pursuant to the terms and conditions of this Agreement. For Very Large New Consumers, promptly after determining that a New Consumer is a Very Large New Consumer, Competitive Supplier shall quote a price at then prevailing market rates. Any Very Large New Consumer that accepts such market rate shall be enrolled in the Program, be deemed a Participating Consumer, and be entitled to receive supply at the market price quoted by the Competitive Supplier pursuant to the terms and conditions of this Agreement. The Competitive Supplier shall notify the City of all market prices offered to Very Large New Consumers.

5.3 CONSUMERS SUPPLIED BY THIRD PARTIES

Consumers being served under other competitive supply programs offered by third parties are not eligible to participate in the Program and will not be automatically enrolled as Participating Consumers under this Agreement at the inception of the Program. If any such consumer terminates its third party supply agreement, they will then be eligible to participate in the Program. Any such residential consumer or Small Commercial Consumer may affirmatively opt-in to the Program and pay the same price that is offered to New Consumers. All other consumers are entitled to participate at then prevailing market rates. Promptly after receiving notice of the interest of any consumer described in this section, the Competitive Supplier shall quote a price for participation in the Program at the price listed in Exhibit A for residential and Small Commercial Consumers, and at then prevailing market rates for all other consumers described in this section. Once enrolled in the Program, such consumer shall be deemed a Participating Consumer and be entitled to receive supply at the price quoted by the Competitive Supplier and otherwise pursuant to the terms and conditions of this Agreement.

The Competitive Supplier shall notify the City of all market prices offered to consumers under this section.

5.4 CONSUMERS THAT OPT OUT AND THEN OPT BACK IN

Any consumer that elects to opt out of the Program may subsequently elect to opt back in.

Promptly after receiving notice of the interest of such consumer in the Program, the Competitive Supplier shall quote a price for participation in the Program at then prevailing market rates. If the price is acceptable to such consumer, the Competitive Supplier will assist the consumer with the Opt In procedure to enroll in the Program. Once enrolled, such consumer shall be deemed a Participating Consumer and be entitled to receive supply at the market price quoted by the Competitive supplier pursuant to the terms and conditions of this Agreement. The Competitive Supplier shall notify the City of all market prices offered to consumers under this section.

5.5 ENROLLMENT

The Competitive Supplier shall be responsible for enrolling all Eligible Consumers through EDI transactions submitted to the LDC for all enrollments of Eligible Consumers during the term of this Agreement.

5.6 ERRORS OF LDC

In providing the notifications and conducting the activities set forth in this Article 5, the Competitive Supplier may reasonably rely upon information provided to it by the LDC for the purpose of performing its obligations. Competitive Supplier will not be responsible for any unknown errors or omissions in connection with its notification of Eligible Consumers resulting from unknown errors or omissions contained in the information provided to it by the LDC

Notwithstanding the foregoing, to the extent that any such error or omission resulted in the omission of Eligible Consumers from initial notification by the Competitive Supplier, upon becoming aware of such omission, the Competitive Supplier shall promptly provide All-Requirements Power Supply to such consumers on the same terms and conditions available to Eligible Consumers as of the date on which the Competitive Supplier receives notice of such omission.

ARTICLE 6 TERM OF CONTRACT AND TERMINATION

6.1 TERM

This Agreement shall commence on the Effective Date, *provided, however*, that Competitive Supplier's obligation to provide All-Requirements Power Supply shall commence on the Service Commencement Date, and shall terminate with the Participating Consumers' first meter read dates on or after January 1, 2024 unless terminated earlier under Article 6.2 below ("Term").

6.2 TERMINATION

This Agreement may be terminated at any time upon written notice:

- a) by either Party if the other Party fails to remedy or cure its breach of any material provision or material condition of this Agreement (excluding the failure to provide or arrange for All Requirements Power Supply, which is addressed in Article 6.2(c)), within thirty (30) days following written notice to do so by the non-breaching Party; or
- b) by either Party if this Agreement or any material provision or material condition of this Agreement be finally adjudged invalid by any court or tribunal of competent jurisdiction, or if the Department or Government Authority exercises any lawful jurisdiction so as to invalidate or disapprove this Agreement in whole or in significant part; or
- c) by the City in the event of the failure of the Competitive Supplier to provide or arrange for All- Requirements Power Supply to Participating

Consumers unless and only to the extent that such failure is the direct result of (i) *Force Majeure*, except as provided in Section 19.6, or (ii) the City's material default of this Agreement; *provided, however*, that the City shall not be permitted to terminate this Agreement if the Competitive Supplier's failure to provide or arrange All-Requirements Power Supply is entirely a direct result of actions or non-actions by any transmission service provider, the LDC, or the ISO-NE, unless such failure continues for one hundred twenty (120) days or longer. No delay by either Party in enforcing any of its rights hereunder shall be deemed a waiver of such rights; nor shall such a waiver of one default be deemed a waiver of any other subsequent default; or

d) by the City in the event of the Bankruptcy of the Competitive Supplier or its Guarantor.

6.3 OBLIGATIONS UPON TERMINATION

Following termination of this Agreement, the Parties' obligations under this Agreement shall cease, except that each Party shall remain responsible for any liabilities that arose prior to the date of termination of this Agreement, and all rights and privileges granted to, and all other obligations imposed on, the Competitive Supplier shall be extinguished, with the exception of the right to collect all monies due from Participating Consumers for services rendered to such consumers through the date of termination, and any obligation of Competitive Supplier to indemnify the City under this Agreement.

The Parties expressly agree that the remedies available to the Competitive Supplier in the event of City default are limited to specific performance as described in this Article 6.

In the event of any default by the City, therefore, the Parties expressly agree that Competitive Supplier is not eligible to seek recovery of any monetary damages or other losses from the City.

In addition to the right to seek monetary damages and exercise all rights and remedies available to it as a result of a material default of the Competitive Supplier under this Agreement, the City has the right, but not the obligation, to seek monetary damages from the Competitive Supplier on behalf of all or any Eligible Consumers or Participating Consumers. Accordingly, the Competitive Supplier specifically waives all rights it may have at law to claim that the City has no standing or otherwise lacks the authority to seek such monetary damages and exercise such rights and remedies on behalf of individual Eligible Consumers or Participating Consumers. Notwithstanding the foregoing, nothing herein is intended to create any rights under this Agreement in any third party.

6.4 SPECIFIC PERFORMANCE

Notwithstanding any other provision herein, the Parties agree that if the City, after receiving a default notice, and after the opportunity to cure that default within the cure periods described in section 6.2(a), fails to cure the default, Competitive Supplier shall be entitled to seek specific performance of this Agreement, and this shall be Competitive Supplier's sole and exclusive

remedy for any default of the City. The Parties acknowledge and agree that because monetary damages are not available to Competitive Supplier under this Agreement, there is no remedy at law adequate to compensate Competitive Supplier for a material default of the City under section 6.2(a), and further agree that Competitive Supplier may suffer, in the event of such a default, irreparable harm.

6.5 EXTENSION

This Agreement may be extended beyond the expiration date of the Term by written, signed amendment to this Agreement. Any new pricing terms shall be included in such amendment. Upon any such extension, this Agreement shall continue to be in effect throughout the extension period set forth in the amendment, and all provisions of this Agreement, as amended by the Amendment, shall retain the same force and effect as before the extension, unless earlier terminated by either Party pursuant to the provisions of Article 6.2.

ARTICLE 7 CONTINUING COVENANTS

The Competitive Supplier agrees and covenants to perform each of the following additional obligations during the term of this Agreement.

7.1 STANDARDS OF MANAGEMENT AND OPERATIONS

In performing its obligations hereunder, during the Term, the Competitive Supplier shall prudently and efficiently carry out its obligations under this Agreement; employ an adequate number of competently trained and experienced personnel to fulfill its responsibilities; deliver or arrange to deliver a safe and reliable supply of such amounts of electricity to the Point of Delivery as are required under this Agreement; comply with all applicable Governmental Rules and industry standards and practices for the supply of electricity to Participating Consumers including LDC requirements; and, at all times with respect to Participating Consumers, implement the good customer service policies and practices as defined in Article 7.2, and employ all Commercially Reasonable efforts, skills, practices, systems and methods in performance of its obligations.

7.2 CUSTOMER SERVICE POLICIES AND PRACTICES

The Competitive Supplier agrees to provide, or cause to be provided, Customer Service Policies and Practices to Participating Consumers as described more fully in Exhibit D. The City reserves the right to post Program-related information on the City's website which will be available to Participating Consumers for general information, product and service information, and other purposes.

7.3 RESPONDING TO REQUESTS FOR INFORMATION

The Competitive Supplier shall, during normal business hours (as set forth in Exhibit D), respond promptly and without charge to reasonable requests of the

City for information or explanation regarding the matters covered by this Agreement and the supply of electricity to Participating Consumers. If such matter pertains to a particular consumer, and consumer consent is required by law, the City will secure such consent before requesting any information under this section. Competitive Supplier agrees to designate a service representative or representatives (the “Service Contacts”) who shall be available for these purposes, and shall identify the office address and telephone number of such representative(s). Such Service Contacts shall be initially identified in Exhibit E. The Competitive Supplier shall update the names of such Service Contacts as necessary during the Term of this Agreement. Whenever necessary to comply with this Article, the Service Contacts shall call upon other employees or consultants of the Competitive Supplier to obtain such information or explanation as may be reasonably requested. Nothing in this Article shall be interpreted as limiting the obligation of the Competitive Supplier to respond to complaints or inquiries from Participating Consumers, or to comply with any regulation or requirement of the Department, Government Authority or Attorney General regarding customer service.

7.4 ARRANGING FOR FIRM ALL-REQUIREMENTS POWER SUPPLY
